Dear Helen:

On behalf of Hoffmann-La Roche, and myself, I wish to express our sincere appreciation for your contribution of resources and handouts for the November 29 Roche Child Care / Work Family Services Baby Fair. Our employees gave us a lot of positive feedback about your resources and hand-outs, and without you, this would not have been possible. We will continue to use your information for interested employees, in the future.

Once again, thanks for your participation

Sincerely,

A handwritten signature in black ink that reads "Dianne Keel Atkins".
